

SUMMER CAMPS 2021

Whether your child is new to soccer or an experienced player, these weekly sessions will challenge everyone in a fun training environment. We begin with fundamentals, placing strong emphasis on individuality by fully immersing proper body mechanics as they relate to different tactical situations.

The emphasis will be on ball mastery and creativity, and we will also work on developing body mechanics for improvement in agility, balance and coordination as it relates to soccer. Each day, the players will learn a new set of skills which they will be able to put into practice during small-sided games.

Summer is about learning and having fun. Players will be rewarded for their hard work, so in addition to training we will play numerous fun games. For example, Wednesday will be "Water Gun Day" so players are encourage to bring their water guns or super soakers. Friday we will have a World Cup Tournament where players will get a chance to display their talent.
